

Some cats are active and curious. Others prefer to observe and take their time. We follow your cat's lead—adjusting care, interaction, and enrichment to match their personality and comfort level.

Morning

Wellness & Wake-Up

- Gentle morning check-in
- Breakfast served according to your cat's routine
- Litter box check and suite refresh
- Quiet start to the day

Midday

Enrichment & Rest

- One-on-one enrichment or quiet companionship
- Optional out-of-suite exploration (based on comfort level)
- Observation of behavior, appetite, and wellbeing
- Rest time in a calm, low-stimulation environment

Afternoon

Care & Connection

- Continued enrichment or independent relaxation
- Litter box and wellness checks
- Personalized care based on your cat's energy and mood

Evening

Wind Down

- Dinner service
- Final suite refresh and comfort check
- Quiet, low-light environment for rest
